HONORARY DEGREE
THOMAS E. BARTON, JR.
DOCTOR OF HUMANITIES

Through the leadership of Thomas E. Barton Jr., South Carolina's technical colleges have become recognized as the gateway to the American dream — the learning resource needed to sustain the state's economic viability and productivity.

As president of Greenville Technical College since the institution's founding in 1962, he plays a key role in moving South Carolina to the new knowledge-based society of the 21st century.

Dr. Barton graduated from Clemson in 1953 with a Bachelor of Science degree and received his Ed.D. in higher education administration from Duke University in 1972. He became president of Greenville Tech after serving in the public schools of South Carolina and Georgia as teacher, coach and school superintendent for nine years.

The third largest higher education institution in South Carolina, Greenville Tech is a comprehensive technical college offering university transfer and technical programs to approximately 57,000 students annually. The college is the largest of the state's 16 technical colleges and has an annual operating budget of \$70 million, a physical plant valued at more than \$100 million and approximately 1,200 faculty and staff members.

Dr. Barton is recognized as a national leader in creating access to the learning that citizens need to participate productively in their communities and in the economy. He secured property and funding to expand Greenville Tech into a four-campus system to serve the most rapidly developing sectors of the county. He was also instrumental in establishing the University Center of Greenville, the largest multi-institutional center for higher education in the Southeast, and in launching the Greenville Education Network, a distance-learning initiative.

For his commitment to making appropriate higher education available to all who can benefit from it, Dr. Barton has received many prestigious honors and awards. He was named to the "Blue Chipper's List" of the top 50 chief executive officers in community colleges by the University of Texas at Austin in 1988 and received the Thomas J. Peters Award for Leadership Excellence in the Community College in 1989. He received the Whitney M. Young Jr. Humanitarian Award from the Greenville Urban League in 1994. Named Business Person of the Year by Greenville Magazine in 1995, Dr. Barton has been chosen as one of the 50 most influential residents of Greenville by the publication every year since 1997. He was also named one of the top 25 leaders in the community by The Greenville News in 2000, 2001 and 2002.

He was awarded honorary doctorates from Winthrop University in 2002 and from the University of South Carolina in 2004. Dr. Barton received the state's highest award for a civilian, the Order of the Palmetto, in 2003. He was also presented the Order of the Poinsettia and named the No. 1 Citizen of Greenville in 2003.

Active in community affairs, Dr. Barton has served on the governing boards of the Greater Greenville Chamber of Commerce, Textile Hall Corp., the Historic Greenville Foundation, BB&T and the YMCA. He is a commissioner for the Southern Association of Colleges and Schools and has served on the board of directors of the Donaldson Air Force Base Museum and the S.C. Technical College Presidents' Council. He has served on the Executive Committee for Friends of the Greenville Hospital System and on the Governor's Task Force on Education in South Carolina.

Tom Barton was an outstanding student athlete on Coach Frank Howard's 1951 Orange Bowl and 1952 Gator Bowl teams. He was named to the All State, All South and All American football teams in 1953 and was later drafted by the Pittsburgh Steelers. For his athletic prowess, Dr. Barton was elected to the S.C. Athletic Hall of Fame and the Clemson University Athletic Hall of Fame in 1987.

It is a most significant occasion when Clemson University recognizes and honors one of its own sons with the presentation of an honorary doctorate for eminent achievements and meritorious contributions to higher education. It is a distinct privilege to honor Thomas E. Barton Jr. with the presentation of the honorary degree, Doctor of Humanities.

THE ACADEMIC PROCESSION

The Academic procession is composed of the faculty, staff, officers, trustees, and honored guests of the University. Faculty enter by college and each college is preceded by its marshal, a senior faculty member, with the college baton, described under University Regalia.

The college banners are placed on the stage. Each banner is a combination of colors that declare the disciplines taught in that college. These colors, which were established by the American Council on Education, are as follows:

College	Colors	Discipline
Agriculture, Forestry, and Life Sciences	Maize Brown Golden Yellow	Agriculture Forestry Life Sciences
Architecture, Arts, and Humanities	Lilac Brown White Dark Blue	Architecture Arts Humanities Philosophy
Business and Behavioral Science	Drab Copper Peacock Blue Cream	Accounting and Business Economics Public Administration Social Sciences
Engineering and Science	Orange Golden Yellow	Engineering Science
Health, Education, and Human Development	Light Blue Apricot Cream	Education Nursing Social Sciences
Library	Lemon Yellow	Library
Staff	Purple and Orange	Academic Support
Faculty Senate	Purple and White	Instruction

Collegiate faculty follow their marshal in order of academic rank wearing academic costumes of medieval origin. Those who have received their degrees from institutions outside the United States wear costumes specified by the awarding institutions.

The academic costumes of faculty whose degrees are from United States' institutions are specified by a uniform code maintained by the American Council on Education. Caps are black and are usually mortar boards with tassels. Doctors of Philosophy wear gold tassels usually of metallic thread; other degrees wear black or discipline colors.

The bachelor's gown is simple and black with long, pointed sleeves. Masters' gowns, also black, are longer than bachelors. Older gowns have sleeves that terminate at the elbow while those since 1960 have sleeves extended to the wrist. Doctors' gowns are full, with bell-like sleeves. The front is marked by velvet panels and the sleeves are marked by three velvet bars. While most gowns are black with black velvet, one variation is to replace black velvet with velvet in the discipline color. A second variation is a colored gown usually of the university's colors.

All hoods specify the level of degree, the type of discipline studied and the awarding institution. First, degree level is signified by the size of the hood with bachelors' smallest, masters' larger, and doctors' quite large and of a different shape. Clemson does not award hoods to bachelors. The width of the velvet trim also conveys the degree. Secondly, the degree is indicated by the color of the trim edging the hood to form the throat over the gown. The most frequently seen is dark blue, which designates the doctor of philosophy (Ph.D.) degree. Finally, the color of the hood's lining specifies the awarding institution. The colors are displayed in combinations that are drawn from heraldry. Notice that the Clemson University hood is lined with purple through which is an orange chevron (a "V"). Although many combinations are duplicated by dozens of institutions, Clemson is presently the only institution with that registered combination.

The officers, trustees, and honored guests wear academic, ecclesiastical, or military regalia as set forth by their professions with the President of Clemson University wearing a purple gown with four velvet bars piped in gold and the University seal embroidered on the panels. The Trustees wear a similar gown with three velvet bars piped in gold for doctorates and an embroidered palmetto tree on each sleeve for those who do not hold doctorates. Hoods are either from Clemson or from the awarding school. They are preceded by the University Marshal. Clad in a gown of office in gold and purple, the marshal wears no hood and bears the University mace. At the ceremony's close, the faculty do not exit as a part of the recessional but are dismissed, along with students and guests, when the marshal leaves the coliseum.

THE UNIVERSITY REGALIA

The University mace is the symbolic representation of the whole of Clemson University and must be present at any convocation where the University, through its delegated members, is acting officially. At any official convocation such as commencement, the University Marshal, carrying the mace, precedes the President into the assembly. The mace rests before the President's chair or speaker's stand throughout the ceremony, and its removal from the assembly at the close of a convocation is symbolic of the official withdrawal of the University and, thus, the close of the proceedings.

The decorative design of Clemson's mace is derived from the ceremonial maces carried by heads of state and church in the Middle Ages. Its basic clublike shape, however, is much more ancient, probably going back to man's prehistory. It is made of walnut wood and silver, with the seal of the University in gold and the University colors represented by insets of cornelian (orange) and amethyst (purple). Amethyst is also the state stone of South Carolina.

The Presidential chain and seal is symbolic of the authority vested in the office of president by the governing body of the University. Only the University President may wear it, and while wearing it he speaks for the whole body of the institution. Clemson's chain and seal are made of silver and gold, and cornelian and amethyst.

The batons of the college marshals also descend from medieval "staffs of office" which were carried by the senior members of departments of state or church. They display the seal of the University and the symbolic color of the discipline to which the college belongs. Clemson's batons are made of walnut wood and silver with the various disciplines inset with enamel.

The University regalia were designed and executed by Mr. Robert Ebendorf. Mr. Ebendorf is twice winner of the Tiffany Award and one of the most acclaimed goldsmiths of our era. The enamel plaques for the batons were executed by the late Professor Marshall C. Bell, and the lapidary work was executed by the late Mr. C. C. Wilson of Clemson University.

***Summa cum laude: A grade point ratio of 3.90 to 4.00

†Calhoun Honors College: The graduates so designated in the printed graduation program have completed an enriched program of study through the Calhoun Honors College. To earn this distinction, students must maintain an overall grade-point ratio of 3.40 or higher and complete the requirements of General Honors and/or Departmental Honors. Students who have earned Departmental Honors appear in the line of march wearing the Calhoun Honors College Medallion on an orange and purple ribbon. This medallion is made possible by an endowment established by Mrs. Katherine Inabinet Vickery of Columbia, South Carolina, to honor the memory of her husband and Clemson graduate, the late B. C. Inabinet.

Students wearing the white stoles over their gowns are graduating with a 3.00 or better grade-point average. Those who are members of University recognized honorary societies may have the names of those societies embroidered on one side of the stole with the University seal embroidered on the other side.

AWARDS

THE CLASS OF '39 AWARD FOR EXCELLENCE

In 1989 on the occasion of the 50th Anniversary of its graduation from Clemson University (then the Clemson Agricultural College of South Carolina), the Class of 1939 established the Award for Excellence. It is presented annually to a faculty member whose contributions over the immediately preceding five-year period are judged by the faculty member's peers to represent the highest achievement of service to the University and the Student Body.

RECIPIENT OF THE CLASS OF '39 AWARD FOR EXCELLENCE FOR 2005

HISTORICAL STATEMENT

Clemson University is named for Thomas Green Clemson (1807–1888), who left the bulk of his estate to the State of South Carolina for the founding of the institution.

Thomas Clemson was born in Philadelphia in 1807 and educated at the Royal School of Mines in Paris (1828–1832). His early profession was that of a mining engineer; however, circumstances diverted his interests into politics and the life of a southern planter, and he soon became an enthusiastic advocate of scientific agriculture. He had a career as a diplomat (charge d'affaires to Belgium, 1844–1852) and served as the first Superintendent of Agricultural Affairs in Washington (1860). As a scientist he published numerous articles in the fields of mining, chemistry and agriculture. His varied activities included his assistance in the founding of the Maryland Agricultural College, his support of the Morrill Act, his leadership in South Carolina after the Civil War, and his part in founding Clemson University.

Thomas Clemson was the son-in-law of South Carolina's John C. Calhoun, a political figure of national importance during the first half of the nineteenth century. Mr. Calhoun's home, Fort Hill, is preserved on the Clemson Campus as a national shrine.

The academic program at Clemson College began in 1893 with an enrollment of 446. The first "college prospectus" announced only two four-year curricula, supplemented by two two-year preparatory courses. Today the University has six major academic units. These are the College of Agriculture, Forestry, and Life Sciences, the College of Architecture, Arts, and Humanities, the College of Business and Behavioral Science, the College of Engineering and Science, the College of Health, Education, and Human Development, and the Graduate School.

Clemson University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; telephone number 404-679-4501) to award the Bachelor's, Master's, Education Specialist, and Doctor's degrees. Various curricula are accredited by the AACSB International (Association to Advance Collegiate Schools of Business), Accreditation Board for Engineering and Technology, American Council for Construction Education, American Dietetic Association, American Society of Landscape Architects, Computing Science Accreditation Board, Council for Accreditation of Counseling and Related Education Programs (CACREP), National Architectural Accrediting Board, National Association of Schools of Art and Design, National Council for Accreditation of Teacher Education, National League for Nursing Accrediting Commission, NRPA/AALR Council on Accreditation, Planning Accreditation Board, and Society of American Foresters.

Clemson is a land-grant institution. As such, it is engaged not only in its primary academic program, but does extensive research at the main campus and at five agricultural experiment stations located in the State. The University is also heavily committed to a varied program of public service, including the work of agricultural extension which has professional personnel located in each of the State's counties.

CLEMSON ALMA MATER

Farmer and McGarity/arr. Freeman

Where the Blue Ridge yawns its greatness,
Where the Tigers play;

Here the sons of dear old Clemson
Reign supreme alway.

Chorus

Dear old Clemson, we will triumph
And with all our might,

That the Tiger's roar may echo
O'er the mountain height.

We will dream of greater conquests,
For our past is grand,

And her sons have fought and conquered
Every foreign land.

Where the mountains smile in grandeur
O'er the hill and dale.

Here the Tiger lair is nestling
Swept by storm and gale.

We are brothers strong in manhood,
For we work and strive;

And our alma mater reigneth
Ever in our lives.

Candidates appearing in this program are not certified graduates. Likewise, academic honors designations are based upon performance prior to final grades. Both certification of graduation and honors designations must come from the Registrar of the University.

First Aid—A First Aid Station is located at the North entrance.

Evacuation System—Littlejohn Coliseum is equipped with a fire alarm evacuation system. In the event of activation, as noted by sustained horns and strobe lights, please proceed to the closest available exit. Remain outside the building until fire officials deem the building safe to re-enter.

No Smoking—Smoking is prohibited in Littlejohn Coliseum.
